Greetings Citizens,

Message from the President

It is the unofficial start of summer and that means more bikes, motorcycles and kids so please be aware of that. The new board has been seated and now we begin working on our long and short term goals. Weeds, long grass and abandoned vehicles were a topic of discussion at our first meeting. Longer term we are working toward getting something done at the restaurant building and the old hardware store. I would like to recognize Tony Columbia for his flag display he put out along State Ave for Memorial Day. It got me thinking that this is the only newsletter between Memorial Day and the Fourth of July. It would be really great to see the American flag displayed on State Ave and all around The Village. I'm calling on us all to see how many flags we can get out on display between now and the 4th of July. The US flag should unite us, and summer in America is just such a special time. Let's celebrate it together and fly the Stars and Stripes all over town. Remember to mark your calendars for August 16th and join us for Hampton days 2025. Enjoy the fun time summer has to offer.

Christopher Bornhoeft  
Village President
