January 26th

Citizens of Hampton,

**Message from the President**

I'm excited to celebrate the 250th anniversary of the United States. I have seen a few pictures here and there of the celebration that we had in 1976. So, I'm hoping that we're able to do something similar this year.

I am looking forward to the spring. I'm excited to see the progress that Public Works made on the shoreline in Heritage Park. They have spent a lot of time clearing out the riverfront of dead trees and debris. The goal is to make it accessible for fishing, leisure, and of course sightseeing.

January usually means the beginning of budget discussions. It is also typically our quietest time of year so there's not much to report. Remember meetings are the second and fourth Monday of every month at 6:30 pm. I do hope you're having a good start to the new year 2026.

Christopher Bornhoeft  
Village President
