Message from the President

Greetings citizens!

I hope you are enjoying these last days of summer!

You may have noticed, especially on top of the hill, that we have completed some roadwork throughout the Village, including concrete patching and blacktop repairs. This should conclude our roadwork for the year, unless emergency repairs become necessary.

I would like to thank everyone who helped with and attended Hampton Days. I would say it was one of our better-attended events in the last few years! A special thank-you goes out to all of the volunteers and sponsors who worked so hard to make Hampton Days a success. We truly appreciate your time, support, and commitment to our community.

The Hampton Historical Society will be hosting the Apple Festival on Saturday, September 19, down by the Bretton and Black Museum. I encourage everyone to come out and enjoy this wonderful yearly event and support our local history.

The Village Board has spent much of the summer working on e-bike and mini-bike ordinances. New state guidelines seem to be released and updated frequently, with many new laws regarding e-bikes taking effect January 1. We are working to make sure our local ordinances keep up with these changes.

Beyond that, I am happy to say that things have been relatively quiet—and that's just the way we like it! I hope you enjoy these last few weeks of summer and take advantage of the daylight we still have in the evenings. Thank you, as always, for your continued support of the Village of Hampton.

Village President
Christopher Bornhoeft

YOUR VILLAGE. YOUR VOICE. YOUR FUTURE.

Have you ever thought about getting more involved in our community? The Village of Hampton is looking for residents who are willing to step up, share their ideas, and help shape the future of our village.

Consider running for Village Trustee! You don't have to have all the answers—you just need to care about Hampton and be willing to make a difference. **Your voice matters. Your ideas matter. Our community needs you!**
