October 13th & 26th

Message from the President

Hello, fellow citizens,

It's October, and hopefully we get to see a good show as far as foliage goes this year. We do have some very beautiful trees in our various neighborhoods, so it is worth taking a look when they start to change.

Some of the trustees, as well as myself, recently attended the IML conference in Chicago. This is a very educational event. My favorite session is always the Mayors Roundtable.

I can tell you that we, as a Village, have it pretty good. You would be shocked at some of the troubles other municipalities are dealing with. We face our challenges, and there are always things that can be better, but for the most part, we've got it good. That's really a testament to the community as a whole. We have good neighbors, good citizens, and a great school.

October brings one of the best nights to be in Hampton. Halloween is one of our best events, and this year trick-or-treat will be from **5 to 8 p.m. on Saturday night, October 31.**

I'm putting out a call to our veterans: please call the Village offices and get on our list for the Veterans Day luncheon. If you're already on our list, you'll receive a letter inviting you to our event on **November 11th at noon at the Hampton United Methodist Church.**

If you have not received a letter before, or if you're new to town, please call the office so we can get you on our veterans registry.

Please be aware that as we get into the fall months and have earlier sunsets, the deer — especially on Hubbard Road and along Route 84 — will be active. Watch out for them. **They are not watching out for you!**

Happy Halloween, be safe, and keep on the lookout for the DeLorean time machine from *Back to the Future* on the 31st. It will likely be parked near 12th Avenue, on top of the hill.

Village President
Christopher Bornhoeft

Off-season parking of recreational vehicles. Off-season storage of recreational vehicles and trailers is prohibited, except for the following provisions:

The recreational vehicle or trailer is parked behind the front building line of the dwelling. On corner lots, the trailer or recreational vehicle must be parked behind the front building line and the side building line of the dwelling that faces the opposing street or avenue. The recreational vehicle or trailer is stored inside an enclosed building. Tarps or any similar material used to cover recreational vehicles or cargo in and on trailers shall be in good repair and securely fastened to prevent tears, rips and flapping from wind. The term "off season" means November 1 through March 31.

HAMPTON FIRE DEPARTMENT

VOLUNTEERS NEEDED

Make a difference in your community!
The Hampton Fire Department is looking for dedicated, community-minded individuals to join our team as volunteers.

-  **SERVE YOUR COMMUNITY**
