Message from the President

Greetings Citizens,

Well, November is upon us, and frankly, we're entering one of my least favorite times of the year. I love Thanksgiving and Christmas, but I don't particularly care for the darkness that comes with this time of year. Luckily, we can look forward to some wonderful Christmas light displays popping up throughout the Village over the next few weeks.

November also brings one of our most honored traditions: the Veterans Day Luncheon. It is always a great pleasure for the trustees and me to host this yearly event.

If you've ever attended our Memorial Day ceremony, you've heard the many names read aloud of those who have served in the Armed Forces. It is always amazing to me just how many people from such a small village have answered the call to serve. As we continue through America's 250th anniversary celebration, we are reminded that we would not have enjoyed these 250 years without proud Americans willing to serve and defend our country. The Village of Hampton is truly proud of our veterans, and we are grateful for their service and sacrifice.

As far as Village business, there isn't much to report this month. We are prepared for winter weather, although it sounds like that may still be a little ways off.

I do hope you enjoy your Thanksgiving and the time you spend with family and friends.

One final reminder: this is also the time of year when deer seem to be everywhere, especially along Route 84 and Hubbard Road. I've already had a few close calls myself this year, so please be careful, stay alert, and watch for deer!

Village President,

Christopher Bornhoeft

I hope everyone is enjoying the beautiful fall weather and getting ready for the colder days ahead.

A few friendly reminders as we move into the winter months:

Village Office: Please remember that the Village Office will be closed for Veteran's Day, November 11th, also Thanksgiving, November 26th & 27th

Winter Weather: As temperatures drop, please be mindful of winter parking restrictions and snow removal. You can stay up to date by contacting Julie or myself at the office, (309)755-7165, to receive text or email notifications.

Utility Bills: Remember to contact the Village Office if you have questions about your account or update your information.

Village Updates: Keep an eye on the Village's announcements and LED sign for important information and upcoming events.

I would also like to take a moment to wish everyone a very Happy Thanksgiving. We are thankful for our residents, volunteers, local businesses, and everyone who helps make Hampton such a wonderful place to call home.

Enjoy the holiday, stay warm, and as always, thank you for your patience and support!

Your Village Clerks,

Michelle & Julie
